

Onwards

Does your substance misuse make it harder for you to get back into work? We're here to help.

We support people with substance misuse back into paid employment. We can find you employment that you want in order to support your recovery journey. You can work 4 hours a week or 40 hours a week – we find you employment to suit your needs.

 **mind** Norfolk and Waveney

Registered charity - No. 1118449

About Onwards

What we offer:

- One to one personalised support to gain paid employment.
- Guidance on writing CV's and application forms that get results.
- Individualised job searches based on your personal profile.
- Direct links with local services and employers.
- Employment related benefits advice.
- Continued support when you start work.

Who can use our service?

- People receiving structured treatment from CGL.
- People who desire to start working as soon as they are referred to our service.
- People who are over the age of 18 who are unemployed and with the right to work in the UK.

What happens next?

- Ask your recovery coordinator to make a referral to our service.
- You will be contacted by an Employment Specialist to tell you more about the service and arrange regular appointments.
- Your Employment Specialist will help you develop a back to work plan and support you into employment.
- When you start work your Employment Specialist will continue to work with you to help ensure everything goes smoothly.

“This service has helped me to have a sense of belonging, feel more positive, believe in myself again and encouraged me to have hope for the future.”

- Elderly Befriender
